Irondequoit Country Club

Dress Code Policy for Clubhouse and Surrounding Grounds

DRESS CODE

A dress code is essential to assure each member a cordial atmosphere to entertain friends and family while showing other members a comparable level of respect. All members, their families, guests and other persons shall, at all times, be properly and completely attired and groomed so as to maintain the dignity and decorum of the Club. Children over the age of 10 are expected to adhere to the dress code.

For the **Golf Course (including the Practice Range)**, proper attire means:

1. For men, sleeved golf or sport shirts with collars or mock turtlenecks (tucked in at all times). Golf slacks or Bermuda shorts (no more than 2" above the top of the knee). Golf joggers (fitted around the ankles) are allowed so long as they have belt loops and do not have any visible drawstrings.
2. For women, sleeveless shirts with a collar or crewneck and sleeved golf shirts are acceptable without a collar (golf shirts must have a fitted waistband if worn untucked). Golf slacks (including golf cap or golf shorts of appropriate length). Golf shorts, skirts or skorts shall be no more than 6" above the knee. Leggings are permissible underneath golf skirts, skorts or shorts, but not on their own as a pair of pants.
3. Soft spiked golf shoes or sneakers are required.
4. Hats and visor are to be worn with the bill facing forward at all times.
5. Protective wind and rain suits/gear in good taste are permitted when required by weather conditions. Hooded sweatshirts or full zip-up jacket-like tops are allowed when weather permitting and, in keeping with current trends in golf.

Never acceptable on the **Golf Course or Practice Range (**regardless of gender) are the following:

- T-shirts, tank tops or crop tops.
- Short shorts or short skorts, walking shorts (e.g. tennis length).
- Fitness attire (jogging suits, gym shorts, yoga pants, warm up pants, shorts or pants without belt loops).
- Cargo shorts with non-flush pockets.
- Denim or swimwear of any kind.
- Metal spiked golf shoes.
- Dress shoes, sandals, slides, slippers or bare feet.

*_All tournament organizers are responsible for communicating the dress code to their participants._

For the **Clubhouse (**which includes the Bar, outside patio/deck, Dining Room and Lower-Level Outdoor Seating/Dining areas), proper attire means:

For men, a dress shirt or collared shirt and slacks. Men's Bermuda shorts may be worn in the Bar, outside patio/deck, and Lower-Level Outdoor Seating/Dining areas only and *not* in the Dining Room. Men's shirts are to be tucked in, unless they are of a style designed and tailored to be worn untucked and hitting at the belt line (e.g. Tommy Bahama or UNTUCKit shirts). Men may also wear a ¼ zip sweater, crew neck or V-neck business-like sweater, which must be kept on if a collared shirt is not underneath.

For women, dresses and skirts of moderate lengths, business suits, pant suits or dress slacks with appropriate tops. Dresses without collars or sleeves are permitted when weather appropriate, including off the shoulder style dresses/tops so long as undergarments are not visible. Note: dresses, tops or jumpers which are fully strapless (having no sleeves or straps on either side) are not permitted, but a top/dress which is a one shoulder style is permitted, again if undergarments are not visible.

For both men and women, sandals and/or open-toed shoes with leather uppers are permitted in the bar area and outside dining facilities only. Full zip-up jacket-like tops are allowable in the Bar, outside patio/deck, and Lower-Level Outdoor Seating/Dining areas when worn over a collared shirt. Golf related hoodies are permitted in the bar area, Donald Ross room and outside dining facilities, but not in the formal dining room. Hoods should never be worn up in the Clubhouse.

Additionally, for both men and women, blue jeans of a presentable nature and on the dressier side (jeans must be free of distressing, holes or tears) are permissible in the bar, patio/deck and Lower-Level Outdoor Seating/Dining area only and *not* in the Dining Room.

Members and guests may use the locker rooms for changing into appropriate Clubhouse attire if dining in the Bar, Dining Room, outside Patio/Deck and/or Lower-Level Outdoor Seating/Dining areas after participating in activities where a different dress code is permitted.
